

Name: _____

Date: _____

Saving seeds is very important. Every seed, with good care, will grow into a plant. Let's save seeds together to plant in our garden next year!

What is the name of your plant/seed? _____

What part of the plant does your seed come from? _____

What does your seed feel like? _____

When should we plant your seed? _____

Please draw a picture of what your plant will look like on the back of your paper!
